They have been signed and uploaded – thanks everyone! I know there is still a lot to do today, but I'm really excited that we are close!

Thanks for catching the error in the Class III permit footer and the incorrect effective date on the Class V permit signature page! I have fixed them and they are ready for signature now.

I'll sign and upload the Class II and ROD, however the effective date of the Class V permit needs to be corrected. Let me know when it's ready.

Thanks

Here is the folder containing the Dewey-Burdock documents ready for Darcy's signature:

Class III Area Permit

Class V Area Permit

AE ROD
